

MHS 2016

MILLIS HIGH SCHOOL

Dedication

Mrs. Shephardson

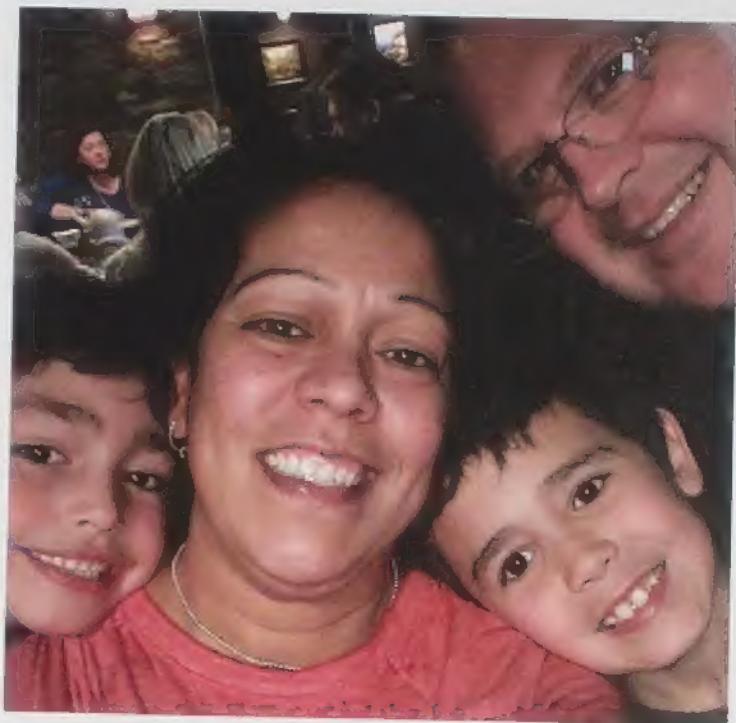

When Mrs. Shephardson came to Millis in 2011, we were her first math skills class. She taught us fundamental concepts that have carried us through all of our high school math careers, especially the Pythagorean Theorem. Mrs. Shephardson's personality always kept students engaged by making math fun. She was always helpful and supportive, and made each class special with her funny and cheerful attitude. We are so inspired by Mrs. Shephardson and the strength she has shown throughout her battle with cancer. She has moved us all with her perseverance and bravery. Mrs. Shephardson has so much courage and optimism; she's the type of person that we aspire to be. It takes a special type of person to inspire the whole town. Mrs. Shephardson, thank you for everything you have done and continue to do for the Class of 2016 and the entire community. We think Mrs. Shephardson is such a wonderful woman and that's why we dedicate this yearbook to her.

Special Thank You

For our special thanks, we want to recognize the dedication of our class advisor, Mrs. Fitz. Throughout both middle school and high school, she taught us so much about the Spanish language and culture. Students always looked forward to her class because of her enthusiasm and energy. No matter the situation, even if it's just walking down the hall, Mrs. Fitz is always happy and upbeat. Being one of the most approachable teachers in the school, Mrs. Fitz creates a welcoming atmosphere where students feel like they can come to her with anything. Mrs. Fitz genuinely cares for all of her students, and we can tell that she's trying to make everyone's senior year the best year ever. We would like to thank Mrs. Fitz because there is no one who has been more devoted to our class.

Senior Class

Advisor: Mrs. Fitz

Administration

The Class of 2016 has developed a reputation for being talented, hard working and accomplished. During your years in Millis, with support from family, teachers, support staff and friends, you have developed strong character attributes that will serve you well in the future. Due to your hard work and that of your teachers, Millis has been designated as an AP Honor Roll District. More students in Millis High School are taking and scoring well on these challenging Advanced Placement courses.

But high academic achievement is not the only thing you have accomplished. You have demonstrated creativity in art, music, dance, theater and video production and shown determination in pursuing your goals in these areas and in athletics. Your teachers and coaches have supported and challenged you every step of the way and your families, friends, and the entire community have played a part in your success. Your class, with its triumphs, its struggles and, above all, its joyous spirit, has inspired many throughout your 13 years here.

This year began in unusual circumstances, with a bomb threat and lock down of the schools and then evacuation of the buildings and grounds after school. What is most memorable about that day is how everyone, school staff and public safety officials, worked so well as a team to ensure that you all had a great first day of school. No matter what their own fears were during that day, everyone put students' safety and emotional well-being first. True to form, students also rose to the occasion and did whatever was asked of them with calm respect.

I am always proud to say that I am associated with Millis because of the quality of the education we provide here, but even more so because of your character and integrity and the community spirit we all have had a hand in developing. It has been an honor to know and serve you. I wish you all the best in your future endeavors!

Sincerely, Nancy L. Gustafson, Superintendent

High School Office Staff

Mr. Robert Mullaney
Principal

To the Class of 2016,

Congratulations on your graduation from Millis High School! In the past four years you have truly left your mark on our school. It has been my privilege to get to know you individually and as members of the Class of 2016. You are an incredible group. You have demonstrated talent in the classroom, in the arts, and on our athletic fields and courts. You have shown to each other what friendship and loyalty are about. You have been outstanding ambassadors of our school and of our town.

I hope these past four years at Millis High School have been rewarding to you. I hope we have prepared you academically for the challenges that lie ahead. I hope we helped you develop the character and integrity that will serve you throughout your life. I hope we have provided you with opportunities to be a leader. I hope we have cheered you with laughter and memories that you will always cherish.

Good luck as you begin your next adventure. No matter where you are headed you will always remain part of our small school-big family. You are forever a proud member of Millis High School's Class of 2016!

Best wishes in all of your future endeavors,
Robert Mullaney
